

Sponsorships

NICIL holds events throughout the year. These include the annual Disability Expo (October) that we are a major part of but also we participate in other community events, for example:

- SVCC Child's Fair
- Community Wellness Fairs
- Resources Expo

We also have our annual luncheon held in the spring that is great fun and well attended by our consumers, benefactors, and community partners. We can't forget that there is regular programming and our Independent Living skills classes and workshops. All of these activities are a large part of the delivery of our programs and services. We could use your support through sponsorships that will be used for:

- Classroom materials
- Instructor's fees
- Refreshments for our classes and workshops
- Booth fees or participation fees for events

These sponsorships can be financial contributions or the actual items for events. Either way we would be grateful for your assistance as these items are usually out of our budget.

Thank you for your consideration!
