Welcome 2017!

We hope you had a great holiday season! Our team and volunteers enjoyed the time off to celebrate the reason for the season.

We are glad that 2016 is over! We look forward to all the promise of a new year now.

We have shared many a time our concerns over the lack of stable funding and the battle to end the budget impasse, yet again. Refreshed from our break, we will be hard at it again reminding our legislators that we are in a real crisis in Illinois. We are in a real crisis in social services and shortly NICIL will once again be in financial crisis without continued funding. We **STRONGLY ENCOURAGE** you to take action! Contact your legislators old and new to take action, now before it is too late for many social service agencies to continue on.

Welcome 2017; let's be the best year yet!
