Empowerment University

We are so excited to announce a new partnership with Riverview Center and Illinois Imagines Coalition in Jo Daviess County! The program is called Empowerment University or Empower U and is designed to be a share and go program. This means that we will have an open discussion, an interactive activity (or two!), and skill building. Life can be overwhelming and we all need ways to learn to be the best we can be. This program is designed to do just that! It is for persons with disabilities ages 18 and older, free of charge, reservations are encouraged so that we have enough materials for all participants.

An informational meeting will be held Tuesday, March 14 from 4:00pm to 5:30pm at the Galena Middle School. To reserve your spot, call Jordan at Riverview Center at 815-777-8155 or call NICIL 815-625-7860 with questions. We are excited, join us and Empower U!
