

Volunteering at NICIL

We could not get through our day without the help of our volunteers. They are the first person you see when you visit our Sterling office or the person who answers your call when you call our office! We call them our Directors of First Impressions! We truly count on their valuable support to NICIL every day.

If you would like to be a part of our volunteer crew, please call us at 815-625-7860. Since you will be greeted by a volunteer, we encourage you to talk with them about their experiences. We think you will quickly agree that not only are they amazing people but they are valuable part of what makes NICIL successful.

Join us; you will be glad you did!
