Children Medical needs services coming to Dixon!

We are so excited to share some information given to us from our friends at the Lee County Health Department (815-284-3371)

The Ronald McDonald Care Mobile is coming to Dixon in April to offer free basic medical and dental care to uninsured or underinsured children ages 0 to 18 years. This is a great opportunity. An appointment must be scheduled so call 815-284-3371 to schedule! See the flyer for dates, times, and details.

Way to go McDonald s and Lee County Health Department!
